* Fields denoted by – have no data from the designated source(s)

Note: British Virgin Islands, Falkland Islands, Kosovo, Montserrat, Nauru, Norfolk Island, Palau, Saint Helena, Saint Pierre & Miquelon, Tokelau, Turks & Caisos Islands, Wallis and Futuna have inadequate information for even a crude Human Security Index to be computed even though the author has a working prototype Basic Human Development Index for those economies.. They are therefore omitted from this table.

Economies in Asia and the Pacific are denoted by **bold** names.
